BE IT THEREFORE RESOLVED, that the creation of the Metropolitan Atlanta Commission on Homelessness be supported through the City's 2004 Legislation Package and the State of Georgia General Assembly

**METROPOLITAN ATLANTA COMMISSION
ON HOMELESSNESS ACT**

No. ____ ([House] Bill No. ____).

AN ACT

To create the Metropolitan Atlanta Commission on Homelessness; to provide for a short title; to provide for findings and determinations; to provide for definitions; to provide for the creation of the Commission; to provide for the membership of the Commission; to provide for the organization and meetings of the Commission; to provide the purposes for which the Commission is created; to provide for the provision of services to the homeless; to provide for the powers and duties of the Commission; to provide for the allocation of property after dissolution; to provide that members of the Commission shall be trustees; to provide for certain exemptions from taxation, levy and sale, garnishment, and attachments; to provide the court in which actions against the Commission may be brought; to provide for construction; to provide for other matters relative to the foregoing; to repeal conflicting laws; and for other purposes.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF GEORGIA:

Section 1. Short Title. This Act shall be known and may be cited as the "Metropolitan Atlanta Commission on Homelessness Act."

Section 2. Findings.

(a) It is found, determined, and declared that there are many homeless persons in Metropolitan Atlanta; that the number of homeless persons is increasing; that in many instances, the homeless are victims of circumstances beyond their control and they are in need of effective public and private assistance; that the existing and increasing number of homeless persons necessitates excessive and disproportionate expenditures of public funds for public health and safety, fire and accident protection and other public services and facilities; and that the provision of services for homeless persons is a public use and purpose for which public money may be spent.

(b) It is further found and determined that the citizens of Metropolitan Atlanta are deeply concerned about homeless persons in their community and that a comprehensive approach to providing services and assistance for the homeless in Metropolitan Atlanta and to preventing homelessness in and around such area will best serve the citizens in Metropolitan Atlanta.

(c) Because of the findings and determinations described in subsections (a) and (b) of this section, it is further found that there is a need for the creation of a public authority to develop a comprehensive plan through which public and

private agencies of Metropolitan Atlanta can deal effectively with the problems of the homeless of the community and can work to prevent homelessness. It is further found that such a public authority should cooperate with and assist public and private agencies in implementing and carrying out such comprehensive plan and in providing oversight, evaluation, and coordination of the various programs and activities of such comprehensive plan and that such public authority should exercise additional powers and duties as provided in this Act in connection with the development, implementation, and carrying out of such plan.

(d) It is further found, declared, and determined that the creation of the Commission provided for in this Act and the carrying out of its corporate purposes are in all respects valid charitable and public purposes within the provisions of the Constitution of Georgia in that developing more effective methods, programs, and services to deal with the problems of the homeless of Metropolitan Atlanta and preventing homelessness is of vital importance to that community.

Section 3. Definitions. Unless the context clearly requires otherwise, as used in this Act, the term:

(1) “Commission” means the Metropolitan Atlanta Commission on Homelessness created in this Act.

(2) “Homeless” means being without or expecting within 30 days to be without sleeping accommodations which meet health and safety standards and includes such factors as unemployment, underemployment, substance abuse, mental illness, or other conditions as determined by the Commission which cause or contribute to causing the state of being homeless.

(3) “Metropolitan Atlanta” means the territory comprising DeKalb County and Fulton County, including but not limited to the City of Atlanta and any other municipalities located within DeKalb County and Fulton County. For purposes of this legislation, “Metropolitan Atlanta” shall be deemed to include any other county which becomes a member of the Commission as herein provided.

Section 4. Metropolitan Atlanta Commission on Homelessness.

(a) There is created a body corporate and politic to be known as the Metropolitan Atlanta Commission on Homelessness which shall be deemed to be an instrumentality of the state, a public corporation and a public authority, and by that name, style, and title may contract and be contracted with, and sue in all courts and be sued in the Superior Court of DeKalb County and Fulton County, as provided in Section 15 of this Act. The Commission shall have all rights afforded the state by virtue of the Constitution of the United States and nothing in this Act shall constitute a waiver of any such rights. The Commission shall have perpetual existence.

(b) The Commission shall not be deemed to be the State of Georgia or a political subdivision of the state or an agency of the state or of a political subdivision of the state.

Section 5. Membership.

(4) Two members each appointed by the governing authority of any other county in the metropolitan region which by resolution joins the Commission under Section 14 of this Act.

(5)

A vacancy created by the removal of a member as provided in this subsection shall be filled for the unexpired term in the same manner that other vacancies are filled.

The organizational meeting of the Commission shall be called by the Mayor of the City of Atlanta after all appointments to the Commission have been made. At the organizational meeting, the Commission shall elect from its own membership a chairperson, vice-chairperson, and secretary-treasurer. The chairperson shall not be an elected official. The terms of office of such officers and all other matters relating to the organization and rules of procedures of the Commission shall be as determined by the Commission, except as otherwise provided by subsections (b) of this section.

(b) The Commission shall meet not less than four times during each calendar year on the call of the chairperson of the Commission.

(c) The Commission shall prepare and submit to the appointing bodies and officers listed in subsection (a) of Section 5 of this Act and to the members of the General Assembly representing any portion of Metropolitan Atlanta an annual report at

the end of each fiscal year or calendar year of the Commission outlining the work of the Commission and furnishing to such bodies or officers a copy of its most recent annual independent audit of income and expenditures prepared in accordance with the requirements of Section 13 of this Act.

Section 7. Purposes. The Commission is created for the following purposes:
